

Intellectual Property Services

The outcomes of our work together include:

- File one (1) federal trademark for your business name or logo so that your business name or logo is protected and cannot be used by another similar business.

The value of this project is multifold, including:

- Researching the business name or logo to assess trademark viability.
- Prepare an attorney opinion letter that will assess whether your proposed trademark may be accepted or rejected by the USPTO.
- One twenty (20) minute conversation with an attorney to discuss the findings in the opinion letter and your trademark's viability.
- Prepare and file one (1) federal trademark for your business name or logo.
- Submit payment to the USPTO on your behalf.
- Provide periodic updates on the status of your trademark application.
- Once your trademark is approved, we will provide you with periodic renewal or milestone deadlines.
- We will respond directly to your questions by email.

Fees:

We can provide these services at the following flat fee:

- \$800 for trademark research, legal opinion and 20-minute call with an attorney
- \$250 for trademark application preparation services
- \$250 USPTO fees per class of goods or services
